

**Model:** 2013 BRZ Premium Manual

**Color:** WR Blue Pearl / Black Cloth

**Options:** N/A

**VIN:** JF1ZCAB13D1600026

**EPA mpg, city/hwy:** 22/30 (Man)

**Key Facts:**

- All-new, Subaru-developed vehicle specific platform, rear-wheel-drive 2+2 sports car, focuses on low center of gravity, low vehicle weight and precision handling.
- BRZ has one of the lowest centers of gravity of any production car in the world at 18.1 in.
- Lightest rear-wheel drive 2+2 production sports car in U.S. market at 2,762 lbs. (Premium Manual).
- 2+2 seating with enough trunk and interior room to transport four tires and tools for track driving.
- Standard navigation system with voice control and comprehensive infotainment capabilities (see standard equipment).
- Vehicle Stability Control (VSC) and traction control system (TCS) with 5 modes, including Sport mode and TCS Off for track driving.
- New 200-hp 2.0-liter Subaru BOXER® engine features “square” configuration (bore and stroke dimensions identical) for high-revving performance; double overhead camshafts and dual Active Valve Control System (DAVCS); fuel injection system combines direct injection and port injection technologies; very high compression ratio; high specific engine output: 100 hp/liter.
- Choice of 6-speed manual and 6-speed automatic transmissions; optional automatic has steering wheel paddle shifters, Sport mode, winter mode and downshift blipping control.
- Torsen® limited-slip differential, double-wishbone rear suspension, electric power steering, 4-wheel vented disc brakes.

**Key Features:**

- 3-spoke leather-wrapped tilt and telescoping steering wheel with red stitching. Electric power assisted steering.
